

**GORE-TEX®**  
Cardiovascular Patch

CONFORMABLE, DURABLE,  
AND PROVEN FOR  
CARDIOVASCULAR  
PATCHING

*Together, improving life*

# Features and benefits

- Advanced microstructure: Constructed from multidirectional strength ePTFE, the patch is designed to resist aneurysmal dilation and optimize tissue ingrowth
- Ease of handling: Requires no rinsing out of the package, can easily be trimmed to the desired size, and conforms to cardiovascular anatomy
- Extensive configurations: Available in a wide variety of sizes to best suit cardiovascular reconstructions and thicknesses for optimal tissue approximation
- Proven clinical safety and efficacy — more than 50 million clinical implants of Gore Medical Products worldwide
- More than 700,000 GORE-TEX® Cardiovascular Patches sold worldwide
